Your Personal Health & Fitness Business

INTRODUCTION

Becoming a Mastermoves Fitness Consultant can be one of the best decisions about health and prosperity in your life. You will be a fitness and wellness promoter and, in the process, you will move in favor of prosperity. Besides making as much money as you want to, the Mastermoves Affiliate program will increase your knowledge and confidence in the arena of sales and professional speaking. You'll be very surprised at what you can do once you've gained education and practice as a Fitness Consultant.

COMPENSATION PLAN

Through its generous compensation plan, Mastermoves. offers seven different ways to earn income.

1. Retail Sales Profits (RSP)

As a Fitness Consultant, you order products directly from OK Initiatives, Inc. at a wholesale price and on-sell at the retail price to earn retail commission. Your rebate is **20%** of the retail price (\$100).

2. Personal Volume Rebate (PVR)

As you progress through the Fitness Consultant ranks, you will qualify for progressively larger Personal Volume Rebates, ranging from 20% to 40% of the amount of products you order from OK Initiatives, Inc. Your Personal Volume Rebate is **20 %** when you order less than 20 units and **40%** when you order 20 or more units.

3. Personal Group Volume Override (PGVO)

This is an override, or bonus, that you earn on the sales volume of your Personal Group, which includes all the direct Fitness Consultants in your downline organization. Direct Fitness Consultants in your downline allow you to earn **20%** of their sales.

4. Leadership Group (LG)

This powerful bonus is based on a percentage of two levels from your Personal Group Volumes in your downline. Mastermoves allows you to earn **10%** of the sales from your 2nd Level downline and your 1st Level earns **20%** of the sales from your 2nd Level downline. (Please see flowchart)

5. Product volume Bonus (PVB)

This bonus rewards Fitness Consultants for their direct sales efforts. For every 100 units sold within the month Fitness Consultants will earn **\$1,000** on top of the 40% rebate.

7. Performance Bonus

Fitness Consultants who pass the Mastermoves Fitness Certification will earn **30 %** for an order less than 20 units and **50%** when orders are 20 or more units.

Business On The Flat World

How long have you been trying to make money on the Internet?

Are you satisfied with the results you are getting?

If you answered "Too long" and "Not enough" then you need to pay close attention to the Master Moves Affiliate Program.

Requirement:

We want people truly committed to being successful on the Internet. We don't want to work with self-defeating tire kickers and procrastinators that are perpetually jumping from opportunity to opportunity never really getting anywhere with anything.

Oh yes, you can do it full-time or part-time. No previous experience is required. Education, age, geography - none of that matters. It really could be the ultimate path to "Passive Prosperity" anyone ever shares with you.

Strategy:

In the traditional "Numbers Game" associated with sales, you may have been taught to "sell" to everyone you contact. The result? You waste a lot of time. You get rejected, then discouraged and then you stop trying to sell. Sound familiar?

With the **Master Moves 300-Day Planner** you'll learn where to find people who actually want what you're selling! They're out there.....waiting for you!

"Be selective and only spend time with the best prospects."

Registration:

Our time is valuable and we only want to work with people that have what it takes to be success in business. And if you are one of the few people that convince me that you are willing to do what it takes... are ready to make the investment.... to make the time... then, the great opportunity in your life is where you are right now.

Here you will find more details on the qualification process to be part of this elite group of soon-to-be Internet Success Stories.
